

## Happy Fall!!!

### **Fall 2024 Office Schedule:**

Office Closed for Training: Friday November 1

Thursday Nov 28 – Friday Nov 29: Office Closed for Thanksgiving!

Tuesday Dec 24 – Friday December 27: Office closed Christmas!

The Doctor's last working day in 2024 will be Tuesday Dec 24<sup>th</sup>!

### **With the Dr out, and the office open, the following services are available:**

Front Desk: Billing, insurance, and scheduling (all regular services)

Hygiene: Cleanings (must have seen the doctor in the last 10 months in VA)

Assistants: Emergency triage and **\$50 off Zoom Whitening!**

The fourth quarter tends to be our busiest time historically as everyone remembers they want to use their benefits prior to year-end. Please call the office NOW if you're interested in scheduling and understand December openings become limited quickly. Get it taken care of NOW, in September / October. Don't wait until November / December!

### **Clinical Updates: Waterlase Laser!**

We've added a new laser to the office. It works by "cutting" with laser-activated water. It's pain-free for many procedures. No stitches. No bleeding. Great for cosmetic procedures like removing skin tags and for relieving tongue ties or removing excess gum, and it's also great for gum health to save compromised teeth and implants from further bone loss.
